Unleash your Potential with **EVBB**

Welcome to **EVBB** (European Association of Institutes for Vocational Training) – the vibrant nucleus of Vocational Education and Training (VET) in Europe. **We're building an expansive, inclusive ecosystem where VET isn't just an option, but an engaging first-choice pathway to success.**

Join us in shaping a future that breaks traditional barriers, where we breathe life into holistic, technical, and environmental education that inspires and equips learners of all ages.

As part of our community, you will:

Speak up

Witness your ideas echo within corridors of power such as the European Parliament and the European Commission. We ensure your interests are heard, valued, and considered in shaping education policies.

Connect

Be part of a rich tapestry of diverse education providers, fostering shared growth and innovation within the vocational education landscape.

Raise the bar

Together, we ensure the consistent delivery of high-quality VET programs through adherence to our established quality criteria.

Share & Learn

Participate in our invigorating conferences and workshops, showcasing your achievements and learning from pioneering initiatives in VET.

EVBB is an independent, politically and denominationally neutral entity, fostering enriching education for all.

Empowering Synergies with **Our Member**

Membership is the power behind EVBB's success stories. Our diverse alliances fortify our vision, bringing together a wealth of expertise, resources, and unwavering support that make our projects ground-breaking and transformative. Each member brings a unique edge to the table, their specialized knowledge and skills amplifying our project planning, implementation, and evaluation efforts.

Shape Tomorrow with Our Projects

EVBB is a creative lab, concocting practical, skills-focused projects that become shining beacons in vocational education and training. Our projects, emblazoned with progress and innovation, inspire educational institutions across the globe to step up their offerings, in turn shaping learners to thrive in a rapidly-evolving job market. **With each project, we aim to demonstrate that excellence and relevance can become the norm rather than the exception in vocational education and training.**

Ignite Ideas at Our Events & Conferences

Join the conversation at an EVBB event, a melting pot of ideas, dialogue, and forward-thinking. Our events and conferences are a nexus where diverse stakeholders from across Europe and beyond unite, forging a vibrant platform for envisioning the future of VET. Each meeting is an opportunity for collective learning, for challenging the status quo, and for sparking the next big thing in vocational education and training.

Become Part of Our Vibrant Member Network

The EVBB network isn't just an association, it's a dynamic global community with:

80+
educational
institutions

40
countries

3
continents

Our members, **a powerful collective of 35,000 individuals**, form an enthusiastic network that consistently pushes the boundaries of vocational education and training. With each interaction, we ensure you're informed, connected, supported, and engaged, making EVBB not just a platform but a robust resource for educational excellence

Ignite Experience Exclusive Benefits as an **EVBB Member**

At EVBB, we're more than just an association. We're your facilitator, your guide, your tech support, and your partner. From ensuring smooth communication with key institutions such as the European Commission, to keeping you updated on pertinent developments in VET and higher education through our newsletters and social media, we are your ally on your journey to success. We offer expertise to help you navigate project calls, prepare grant applications, and so much more. With EVBB, you're not alone on your transformative journey. **You're part of a family. Join us, and let's shape the future of vocational education together.**

As a member, you'll gain exclusive access to an array of remarkable benefits:
